Mobile App User Experience & Screen Architecture

PlotTheirFuture.in • Visual Walkthrough, App Data Integration & FAQ Handbook

NATIVE MOBILE UI • ANDROID / IOS

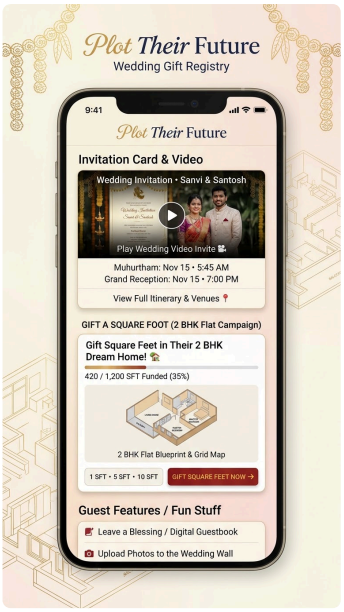

1.0 AUTHENTICATION GATEWAY & WEDDING INVITATION HUB

The initial mobile touchpoints authenticate guests and lead them into their personalized, private wedding celebration space.

Screen 01: Multi-Tenant Login Gateway

Supports 1-click WhatsApp authorization, Mobile OTP, and Google Sign-In. Validates user credentials and dynamically un-greys the specific wedding tenant the guest has been invited to attend.

Screen 02: Invitation & Campaign Hub

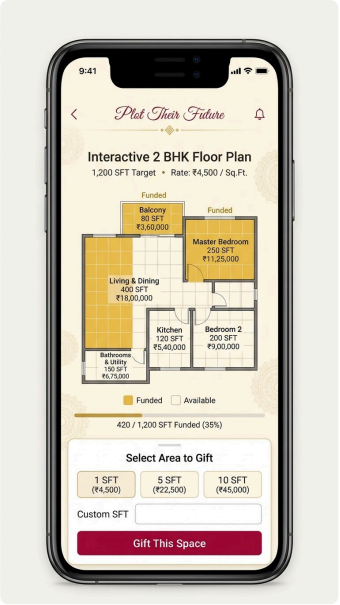

Greets the guest with a cinematic couple video invite, ceremony schedule (Muhurtham & Reception), live campaign progress bar (35% funded), and quick shortcuts to the 2 BHK registry.

2.0 INTERFACE SPECIFICATIONS: LOGIN & INVITATION FEED

Interface Element	User Flow & Interactions	Technical & Security Behavior
Smart Login Portal	Guest enters mobile number; receives 6-digit WhatsApp/SMS OTP for zero-password entry.	Validates phone against `tbl_invitations`; assigns JWT token with scoped `wedding_id`.
Dynamic Video Invite	Tapping the video thumbnail triggers smooth full-screen 4K streaming with wedding music.	HLS adaptive streaming via CDN with low-bandwidth optimization for 4G/5G networks.
Campaign Metric Meter	Displays real-time progress bar (e.g., *420 / 1,200 SFT Funded • 35%*).	WebSocket subscriber auto-refreshes meter within 500ms of any guest transaction.

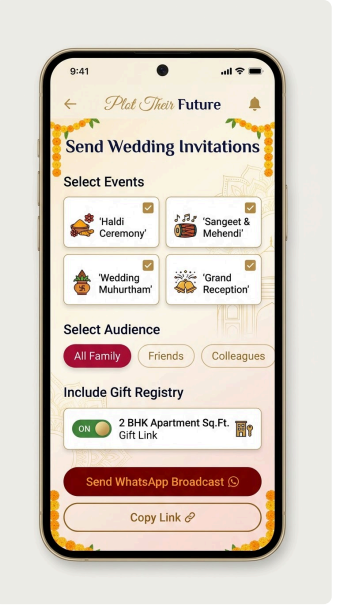

3.0 INTERACTIVE 2 BHK FLOOR PLAN & HOST INVITE DISPATCH

Connecting spatial micro-gifting with administrative ceremony-level invitation distribution for the couple and key family members.

Screen 03: Interactive 2 BHK Floor Plan

Visualizes 1,200 SFT across Living, Master Bedroom, Balcony, and Kitchen. Golden tiles denote funded areas; guests pick 1, 5, or 10 SFT pegged at ₹4,500/SFT.

Screen 04: Host Ceremony Selection & Dispatch

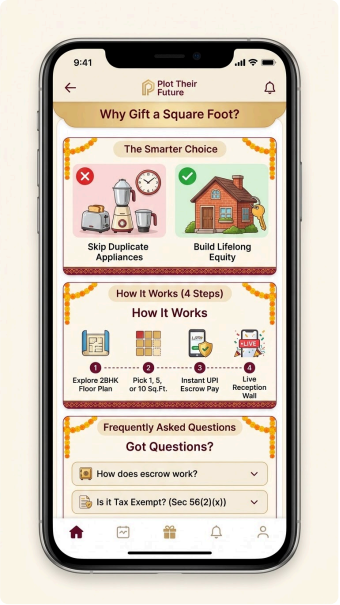

Empowers the couple and family leads to check/uncheck ceremonies (Haldi, Sangeet, Muhurtham, Reception) and send tracked WhatsApp smart broadcasts.

4.0 FEATURE DEEP-DIVE: SPATIAL GIFTING & DELEGATION LOGIC

Component	UI / Functional Design	Business Logic & Enforcement
Room Cell Grid	Interactive vector blueprint (Living: 400 SFT, Master: 250 SFT, Balcony: 80 SFT).	Tapping a room highlights vacant tiles; 10-minute temporary checkout hold prevents collision.
Quick Preset Chips	One-tap buttons: 1 SFT (₹4,500), 5 SFT (₹22,500), and 10 SFT (₹45,000).	Direct integration with UPI intent flow; supports custom square footage inputs.
Delegated Dispatches	Key family members select events and broadcast to their respective phonebook contacts.	Appends referral parameter (`?ref_lead=uncle`) to track branch RSVPs and contributions.

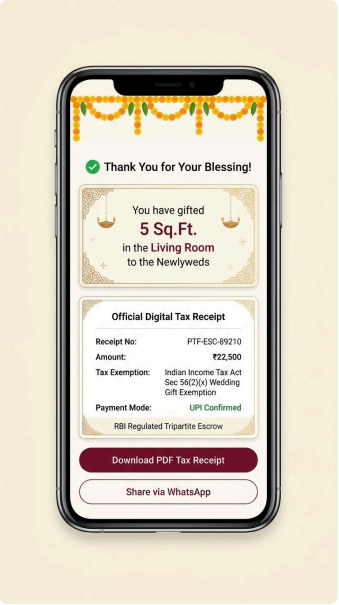

5.0 CONCEPT DISCOVERY & STATUTORY TAX EXEMPTION RECEIPTS

Educating guests on replacing duplicate appliances with lasting home equity, followed by instant legal tax-exemption acknowledgments.

Screen 05: Why Gift a Sq.Ft. Discovery

Contrasts depreciating duplicate appliances with appreciating home equity. Outlines the 4-step gifting process (Explore Floor Plan → Pick SFT → Escrow Pay → Live Stage Projection).

Screen 06: Thank You Note & Digital Tax Receipt

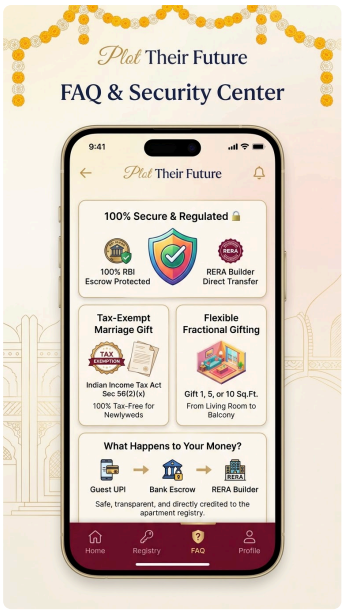

Confirms contribution (e.g., 5 Sq.Ft. in Living Room) with official Receipt ID, Section 56(2)(x) marriage tax exemption certification, and 1-click PDF download.

6.0 STATUTORY COMPLIANCE & ESCROW FRAMEWORK

Compliance Pillar	Statutory Provision	Operational Implementation
Marriage Gift Tax Immunity	Section 56(2)(x) of the Indian Income Tax Act.	100% tax-free for both donor and newlywed couple with zero monetary upper ceiling.
RBI Escrow Protection	RBI Master Directions on Payment Intermediaries.	Funds ring-fenced in a tripartite escrow account; direct wire to RERA developer account.
Automated Receipt Delivery	5-second WhatsApp dispatch SLA.	Generates tamper-proof PDF receipt with digital signature and unique cryptographic hash.

7.0 FAQ & SECURITY CENTER: COMPLETE KNOWLEDGE BASE

Addressing guest safety, legal compliance, and spatial gifting logistics through in-app visual trust badges and comprehensive answers.

Screen 07: Security & Compliance Center

Highlights 100% RBI Escrow Protection, RERA Builder Direct Settlement, Section 56(2)(x) Marriage Tax Exemption, and the 3-step fund journey diagram.

Q. Where does my money go? Is it held in personal accounts?

No funds ever enter personal accounts or startup wallets. Every rupee is routed directly into an RBI-regulated Tripartite Escrow Account maintained with a scheduled commercial bank until formal developer settlement.

Q. Can I gift fractional square feet or sponsor an entire room?

You can gift as little as 1 Sq.Ft. (₹4,500). Guests, corporate colleagues, and cousin circles frequently pool funds together to sponsor larger designated zones like the Balcony or Living Room.

Q. What happens if the 1,200 SFT apartment goal isn't 100% funded?

100% completion is not required. Whatever square footage is funded (e.g., 35% or 420 SFT) is disbursed directly to the developer as an upfront down payment or applied as principal prepayment on the couple's home loan.

8.0 EXTENDED FAQS: APP PRIVACY, TAXATION & RECEPTION DISPLAYS

Q. Is this gift taxable for the newlyweds or the contributing guest under Indian law?

No. Under Section 56(2)(x) of the Indian Income Tax Act, genuine gifts presented on the occasion of marriage are 100% exempt from income tax without any monetary upper limit for both the recipient and donor.

Q. Why are other weddings on the platform locked or greyed out when I log in?

PlotTheirFuture enforces row-level privacy. Your account is linked strictly to the specific wedding invitation extended to you. Other weddings hosted on the system remain locked and greyed out to maintain privacy.

Q. Where will my personal blessing and gift confirmation be displayed during the wedding?

Your blessing is tagged to your funded floor-plan tile, saved in the couple's permanent digital guestbook, and rotated via WebSockets across the grand LED projection screen live during the wedding reception.

Q. Can I contribute anonymously without having my name shown publicly?

Yes. Toggle the "Gift Anonymously" switch during checkout. Your contribution is credited to the couple's escrow down-payment pool, but your name will be masked on the public floor plan and stage ticker.
